

MT5.3_4 Group Exercise: Could you Advise them?

GROUP B

SCENARIO

Alex is a history teacher working in a private high school and has a passion for making learning more interactive and engaging. However, he feels limited by the traditional teaching methods available to him. Combining education and technology to enhance the learning experience for students and transforming the way students and teachers interact with content is his dream.

Could you advise him in his next steps?

Read carefully the scenario given to your group. Discuss with the members of your group and answer the questions below.

QUESTIONS

1. *What is your advice regarding his professional growth?*

2. *How is his professional growth related to his personal growth?*

3. *What learning pathways should he take?*

4. *What resources and tools should he use?*

5. *Are there any alternative options for him to achieve his goals?*

6. *How do his professional goals differentiate from one another and which elements do they share?*
