

Entrepreneurial Mindset and Key Skills for All

EMSA IS AN ERASMUS+ CO-FUNDED PROJECT THAT STARTED IN JANUARY 2023 AND WILL LAST UNTIL DECEMBER 2025.

It aims to empower Learners and Entrepreneurs with 2 comprehensive training programmes:

- Entrepreneurial Mindset Skills based on the Entrepreneurship Competence Framework (ENTRECOMP).
- Key Skills for Lifelong Learning based on the European Reference Framework (ERF).

EMSA has achieved several key milestones through collaborative meetings among partner organisations:

Nicosia

> Launched the project and defined > Reviewed learning outcomes for the 15 ENTRECOMP competences.

Larissa

- and refined developed for the ENTRECOMP framework.
- > Evaluated the project management progress.

Nicosia

- > Reviewed and refined materials developed for the ERF framework.
- Planned the assessment phase, certification process, and training

WHO CAN JOIN?

University students, VET learners and trainers, and early-caree professionals interested in developing entrepreneurial skills and/or enhancing lifelong learning competences.

TRAINING DETAILS

ENTRECOMP: 15 competencies, each delivered in a fullday (8-hour) session over 15 weeks.

ERF: 6 competencies covered in 18 modules, each delivered in a full-day (8-hour) session over 18 weeks.

CERTIFICATION

At the end of the training on each framework, the participants will undergo an assessment. Successful candidates will receive an internationally recognised certification (ISO 17024).

WHY JOINS

- Gain knowledge, skills and competences about entrepreneurial and lifelong learning skills. 2 - Engage in a structured, internationally accredited training programme,
- and get certified with ISO17024, if you attend the whole course
- 3 Network with like-minded individuals in your community, engage with the instructors, and apply the knowledge acquired through the course activities.

HOW TO JOIN?

Click here to register for the EMSA pilot training.

The accepted applicants will receive further information on how to join the training sessions.

>>>> PROJECT PARTNERS «««

he project connects 2 European countries (Cyprus, Greece) with 3 non-European countries (Egypt, Jordan, Palestine) to formulate a network for the project to foster its outcomes.
